

Manifesto for the post of Co-Curricular Affair Secretary

Animesh Bagora

ED12B007

Vision

To achieve excellence in technical activities, within and outside campus while ensuring greater engagement with all stakeholders - students, academia, industries and society

Shaastra

- **Events and workshop:** In order to cater needs of current and future stakeholders of Shaastra and establish Shaastra as the pioneer of latest concepts, event's format will be restructured. Combining similar events to create a more challenging and diverse set of events will be the highlight of such a revamp.
- **International Exhibition:** To showcase technological advancement around the globe international exhibitions will be invited to Shaastra.
- **Mini Shaastra:** To encourage participation from institute students a miniature version of Shaastra will be hosted over a period of weekend and will include lectures, workshops, events etc.
- **NGO Collaboration:** This special initiative will encourage all teams to play their part in having a positive impact on the society and help underprivileged through their proceedings.
- **Envisage:** Take Envisage outside the bounds of IIT Madras. Host an Envisage show in other college's technical fest to provide better exposure to team and concrete publicity of Shaastra.

Center for Innovation (CFI)

- **Vistaar:** To take forward this novel initiative to other colleges in India. This program's motto will be to establish student body like CFI in other colleges.
- **Techno-entertainment Club:** In order to teach the basics of techno-entertainment to students a new club will be established in CFI profited by mentorship of Envisage team.

Inter-IIT Tech Meet

- **Hosting Inter IIT Tech meet:** Establishment of Inter-IIT Tech as a culture and work towards hosting 2016 version at IIT Madras.
- **Organizing Team:** To post a new team headed by Techsoc Head which will take care of organizing Inter IIT tech-meet.
- **Review sessions:** Review session to be conducted to evaluate the progress of the Inter-IIT teams by CFI club.

Tech-Soc

- **Targeted Events:** To conduct a set of focused events for freshmen & exchange students to increase involvement from them.
- **Company and alumni Connect:** Collaboration with companies / alumni to organize and promote Techsoc events.

Credentials

Shows and Exhibitions Core, Shaastra 2016
